

PRESENTATION GUIDELINES FOR INTERACTIVE SESSIONS

ICARCV 2004

Interactive (poster) sessions of the ICARCV2004 will be held at Kai Wah Plaza, Level 6, Room 1. You are requested to stand beside your poster during the poster viewing periods.

The following information may assist you in preparing an informative and professional poster display:

- Print TITLE and authors in extra large characters across the top of your display.
- Display your material in large print so it may be read from a distance. It is important to use text and graphics larger and bolder than those of your manuscript! Be clear and succinct.
- The **maximum** size of the poster is **1m (height) x 0.8m (width)**.
- Each presentation will be assigned a board and will be labeled with a Poster Reference Number (e.g., P-01).
